

WORK SUMMER. ENJOY WINTER.

Many of our Crop Hail Adjusters are retirees who work a few months in the summer... and use that income to enjoy their winters — whether that's travel, hobbies, or time with family.

Now recruiting Seasonal Crop Hail Adjusters

- ✓ 2-3 months of work (summer)
- ✓ Flexible, independent schedule
- ✓ Stay active and work outdoors
- ✓ Training provided — no insurance experience needed

Ideal for:

- Retired farmers
- Ag professionals
- Anyone with agricultural knowledge

If you're not ready to sit still — this is a great way to stay engaged and earn meaningful income.
